|    | Strength   | <ul style="list-style-type: none"> <li>• Continuous and increasing demand for the subject every year.</li> <li>• In spite of shortage of staff the faculty takes enough initiative to manage the classes of the department and ensures a satisfactory pass percentage.</li> <li>• Communication and group discussion activities are conducted regularly for B.Sc. students to strengthen their public speaking abilities and train them for facing interviews.</li> <li>• The Department maintains an atmosphere of discipline, conducive to learning.</li> <li>• The Department is endowed with a dedicated set of faculty members who constantly engage in counseling, guiding and mentoring the students for both academic and other activities. The individual needs of Major students are addressed by providing academic, personal and career counseling.</li> <li>• Students are encouraged to hone their writing and research skills by participating in student seminars and contributing actively to the department Wall Magazine. These efforts have borne fruit as students have participated in inter-college students' seminars and made the department proud by winning the first prize in the annual Wall Magazine competition for the last three years and the second prize in the current session.</li> <li>• Numerous extension activities having a diversity of relevance for the students have been undertaken in the last few years.</li> <li>• Research projects funded by the UGC have been carried out by faculty members.</li> <li>• One member of the department is involved in open and distance learning for PG teaching in English in various capacities.</li> </ul> |
