

Activity Title: Chief Minister's Plantation Drive at Institution during 15th July to 15th August, 2022

Organized by: Environment Cell in collaboration with Eco Club of Arya Vidyapeeth College (A)

Resource Person: Dr. Pradip Kumar Bhattacharyya

Date: 18th July, 2022

Summary of the activity: Plantation in the Boys' Hostel Premise of the College on 18th July, 2022 under Chief Minister's Plantation Drive during 15th July to 15th August, 2022. The Principal of the college, Dr Pradip Kumar Bhattacharyya spoke about the significance of tree plantation for preserving biodiversity and climate control besides providing the basic needs of life on earth.

Dr Pradip Kumar Bhattacharyya inaugurated the plantation Drive by planting a Chebulic myrobalan(Silikha/Haritaki) sapling, an important medicinal plant at the Boys' Hostel Premise of the College. The program continued with plantation of other indigenous plants saplings such as Agar, Mango and Jackfruit by the Faculty member and office Staff of the College.
