Evaluation of feedback from teachers (2021 - 22)

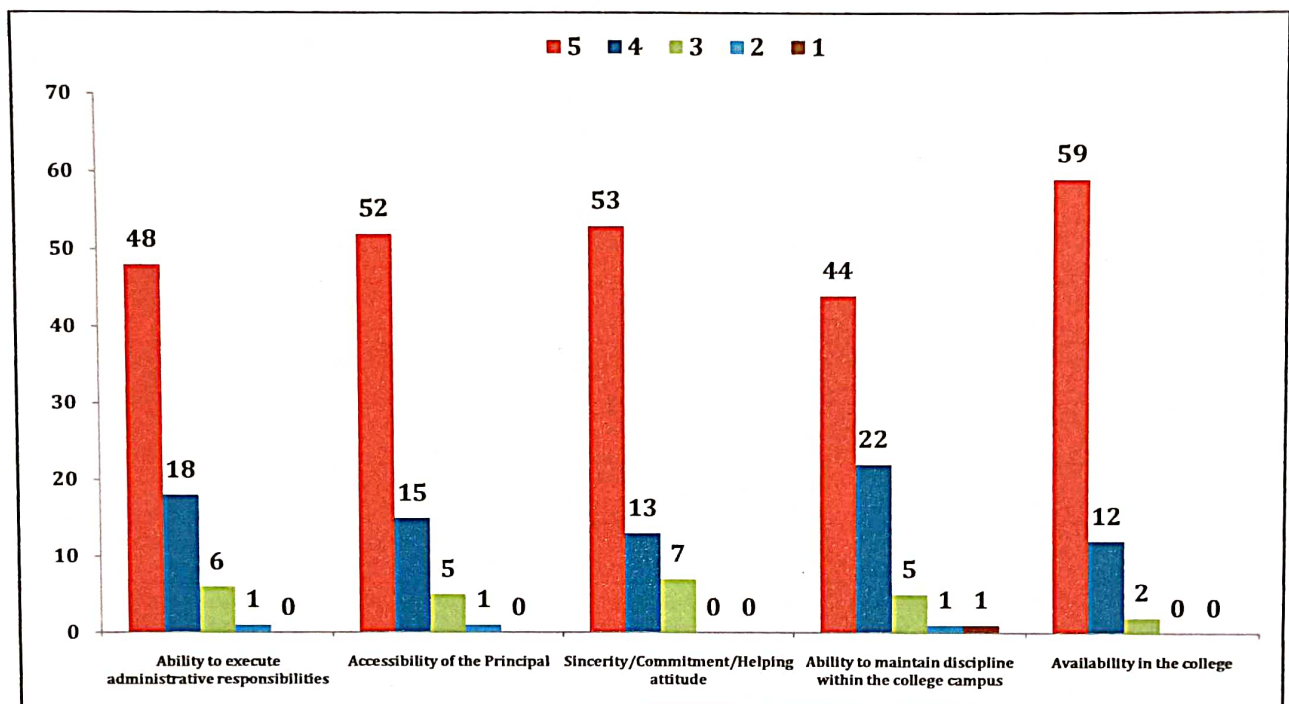

The feedback from teachers was taken in online mode by preparing a set of questions in Google Form. Overall response from the teachers indicated moderate to high level of satisfaction with the quality of infrastructure and other facilities provided. This feedback would help in the process of self-introspection and preparing a future road map for the college. Following is the report of feedback and action taken by the college: The feedback was taken in a scale of 5 which indicates excellent and 1 indicates poor.

A. Feedback on course curriculum :

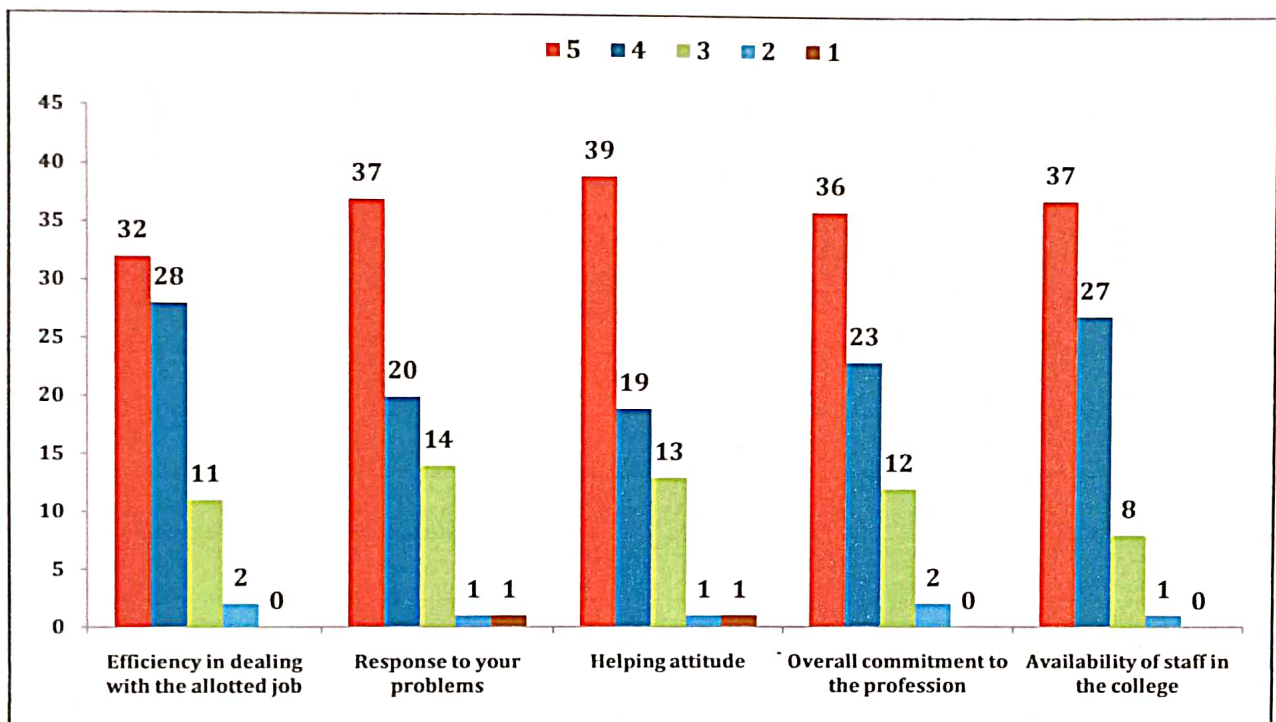

ACTION TAKEN: The college shall consider restructuring its course and syllabus within the permissible limits of UGC while implementing NEP, 2020 as it has been granted autonomous status by UGC.

B. Feedback on the Principal:

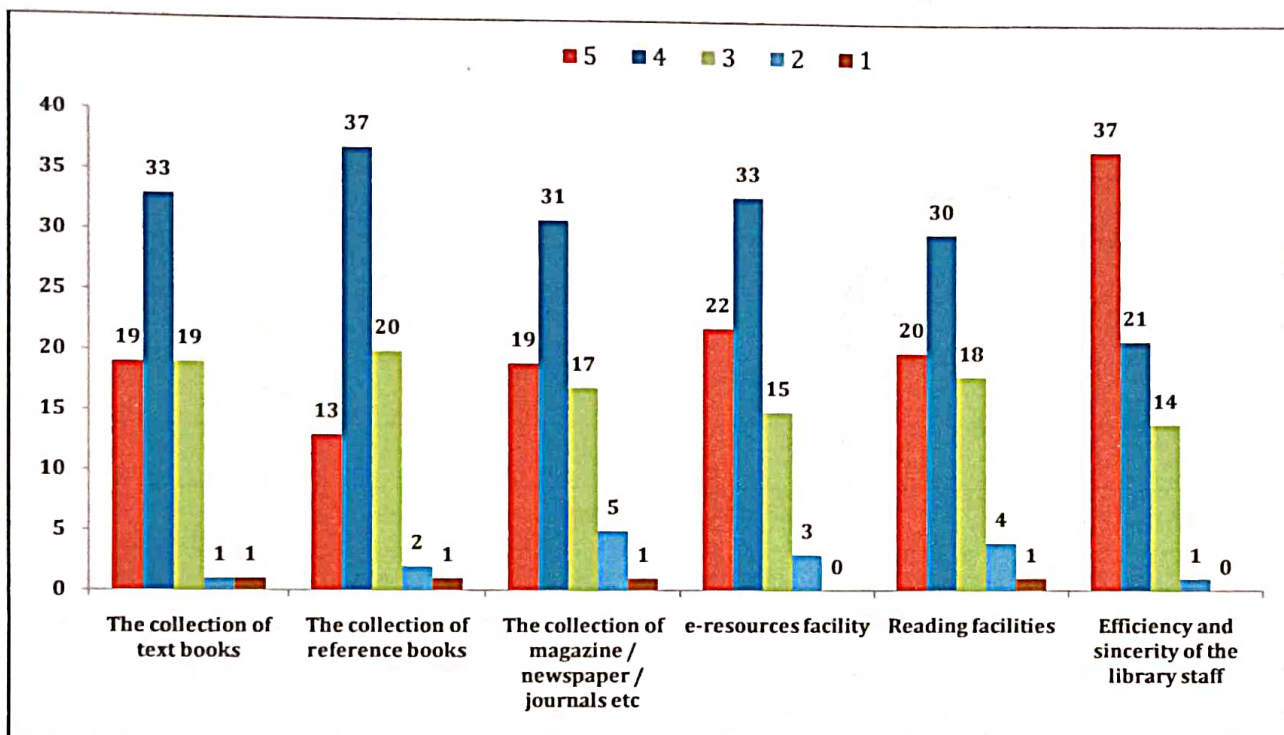

ACTION TAKEN: The feedback report has been analysed and initiatives shall be taken to improve it further.

C. Feedback on office:

ACTION TAKEN: Steps like organising training programmes on soft skills etc are being initiated to improve the efficiency of the office staff after having a discussion with the Principal.

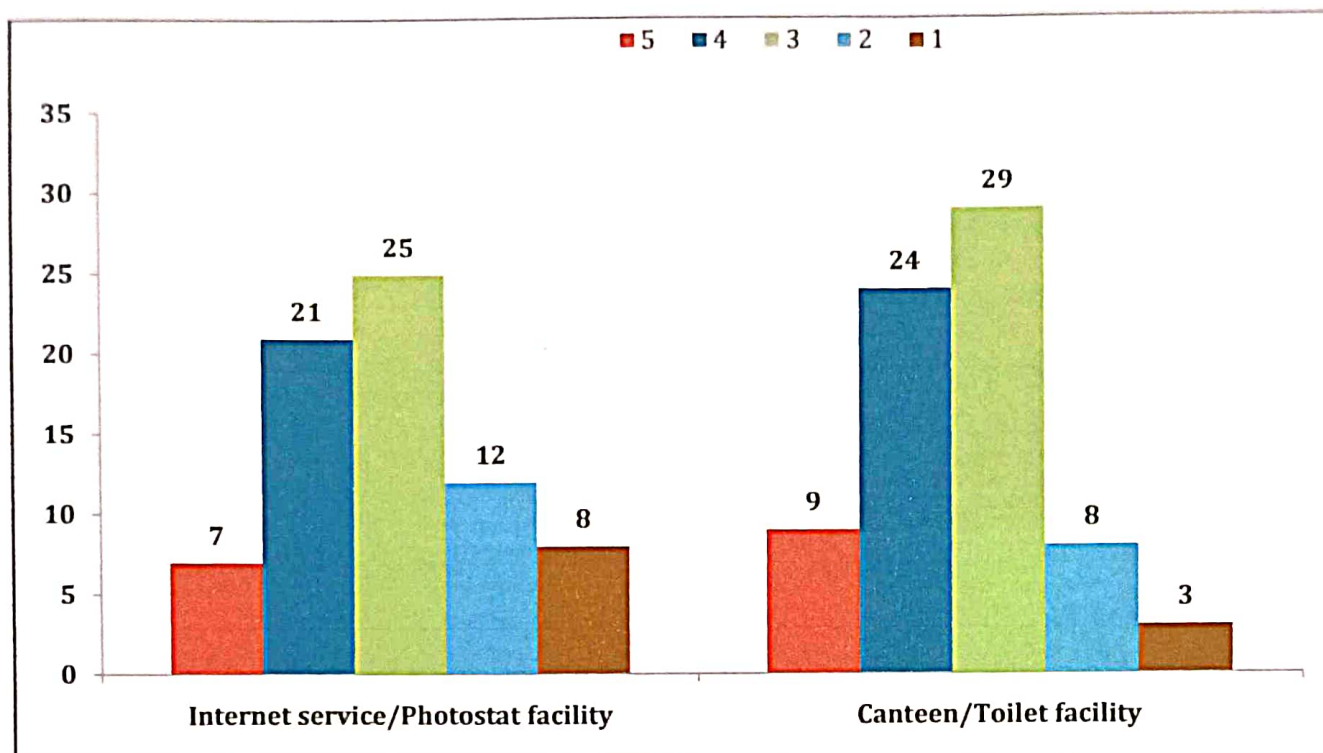

D. Feedback on library:

ACTION TAKEN :

- The collection of text books, reference books, magazines etc of the library shall be enhanced further.
- Recently the College library has been made accessible through OPAC (On Line Public Access Catalogue). The library plans to augment further the number of its e-journals and e-books.
- The College library is also registered under N-LIST programme under UGC-Infonet Digital Library Consortium and also has plans to register in more such platforms.

E. Feedback on other facilities :

ACTION TAKEN:

- The speed of internet connection has been revamped to 300 MBPS. The process of converting the entire college campus into wifi zone is being carried out.
- There is a plan to buy more photostat machines and the students shall be offered the facility in a subsidised rate.
- The canteen committee is assigned duty to review the quality, variety and prices of items sold in the college canteen. Moreover recently the vendor to run the canteen has been changed.
- The college already has a computer cell with a good number of computers and the process of opening several courses like PGDCA etc is going on. There are computer laboratories in some departments also.

G. Suggestion for overall quality improvement of the college :

- More effective power back up.
- The washrooms/toilets should be cleaned regularly.
- More classrooms are needed.
- Need of more ceiling fans both in the classroom and in the departmental staff room.
- Need of a common staff room.
- Library and research facility must be developed
- Appointment of the departmental bearer should be uniform.
- The Principal should take individual steps in dealing with teachers who are not committed to the college. The Principal has every right as regard the same
- The number of 4th Grade Staff and Sweeper need to be increased.
