Evaluation of Feedback from Alumni (2022 - 23)

Feedback of the Alumni is an essential component for growth and improvement of the HEI's. The feedback forms have been designed with the help of Google forms and shared with the alumni by the IQAC of the college. They are required to submit their responses to a set of ten statements on a 5-point scale in which choices range from Strongly agree to Strongly Disagree. We have received responses from our alumni who have been placed in various jobs and professions in both government and corporate world within and outside India. The college is proud about the achievements of the alumni. The feedback thus received is then analyzed so that appropriate action can be taken. Following is the report of feedback and action taken by the college:

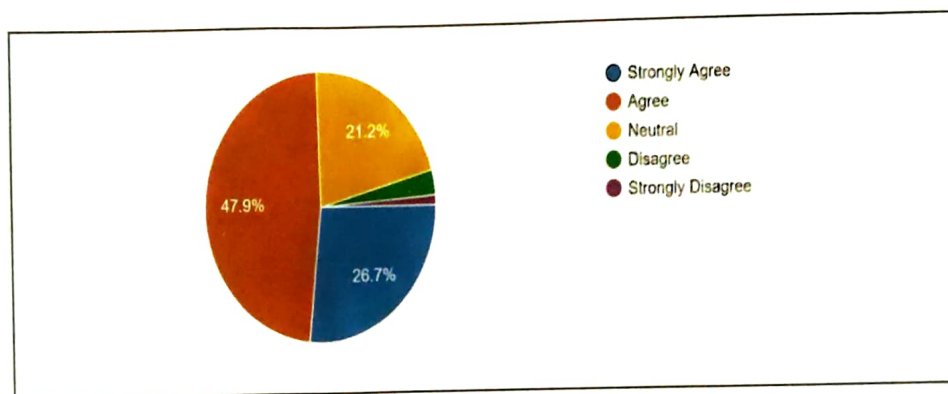

1. The curriculum and syllabus content were appropriate for higher education and/or employment

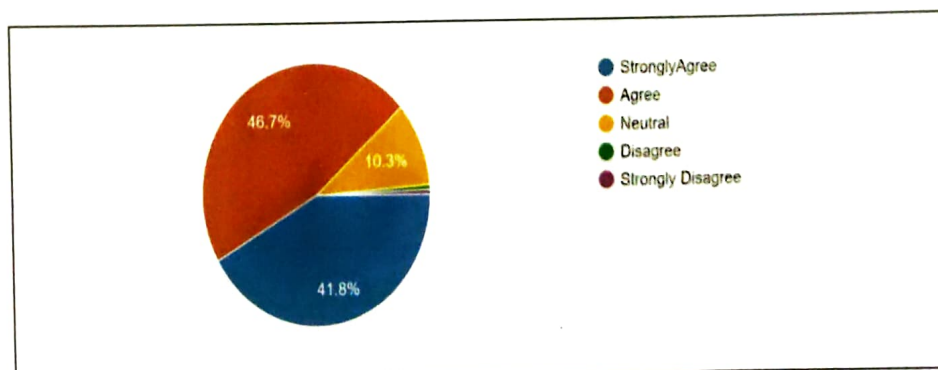

2. Sufficient number of co-curriculum activities were arranged during the study period

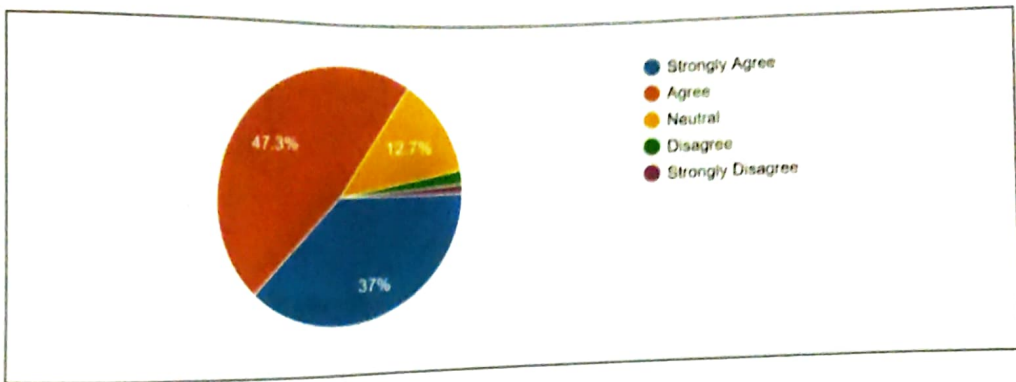

3. The institute/faculty helped student in placement/higher education

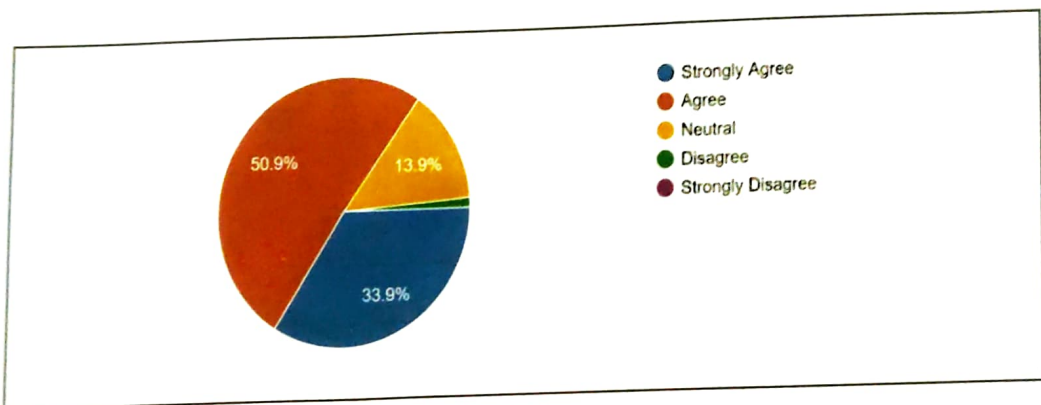

4. The institute offered a good learning ambience

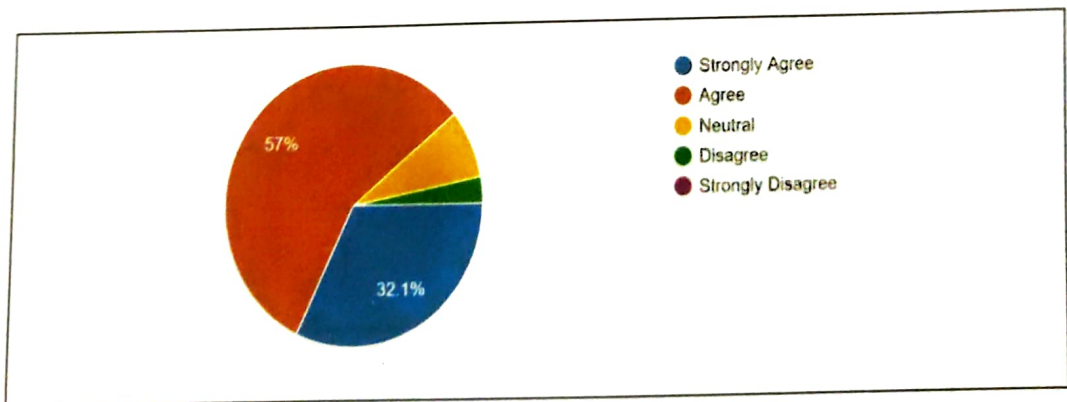

5. The curriculum offers courses with practical and hands on learning experience

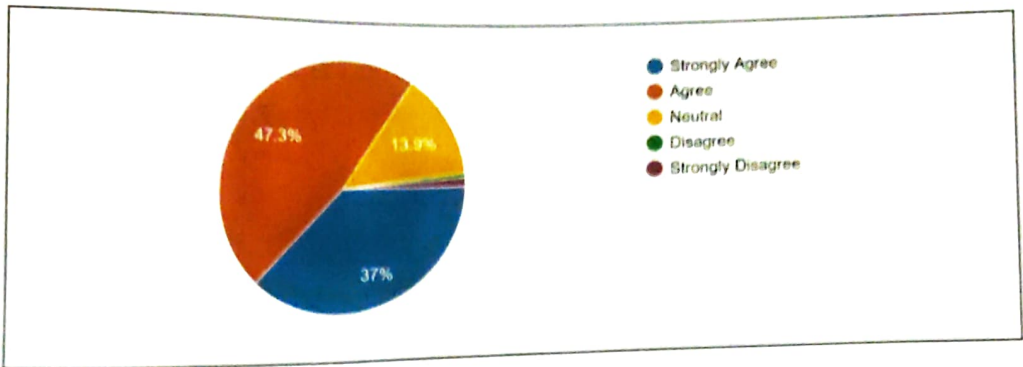

6. All the academic processes of the institute were transparent

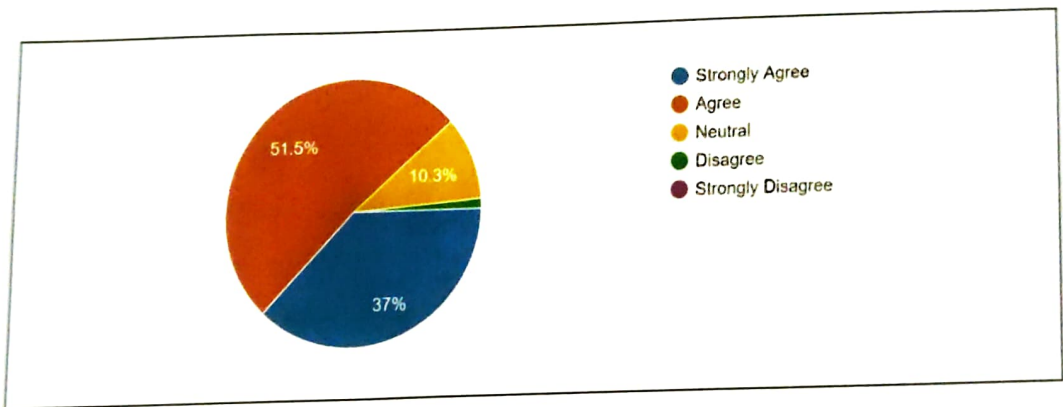

7. The institute is student-centric in all its academic initiatives

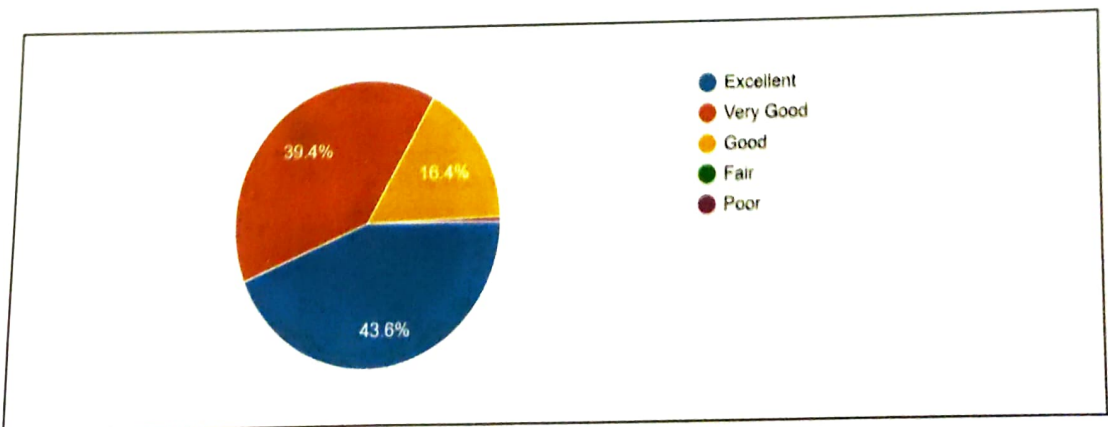

8. The standard of teaching is very high

9. Public perception about the institution is very good

10. Overall quality of the institution

11. Suggestions/Remarks:

- The institution is the best to my knowledge for it always had and is still trying to impart the best knowledge system to the students. Kuddos to the institution.
- Great college but needs to work in building industry oriented curriculum and skill based training.
- Introduce new techniques in teaching.
- If the syllabus is modified it will be better for various entrance examination .
- The teachers here are inquisitive and believe in understanding students wants and needs for their performance with excellence.
- Now an autonomous institution. It's curriculum should be more advanced with other reputed institutions.
- Introduce Investment related course
- Kindly be more strict so that students register minimum 75% attendance
- In departments at least one career development programme should be done by some experts . That will help in choosing and knowing about lots of opportunities. And campus interviews should be included too .
- Proper maintenance of the boys toilet in college is pending so the authorities should pay a little attention . Public hygiene is a proper aspect of life and the college authorities should be aware of that.
- The Library facilities of the institution can be better. Hope it gets better in the near future.
- The bulletin board or notice board system needs improvement in the college
- Institute should provide seminar regarding Skills like Data science, share market, Artificial intelligence, Film making etc so that the students could get knowledge in every field and can continue with their interest
- Academic collaborations may be extended further with domain specific government organizations and other renowned academic institutions for the benefit of students.

- The Institution has the potentiality to become a full fledged University
- Conducting short term “Internship Programs” under any local organisation or research professor during the semester break periods may help the students to understand more about the practical aspect of the subject and can motivate them to stay focused in their interested topic/subject.
- Teaching should be in such a way that it makes students ready for national level competitive exams like JAM. Numerical questions must carry atleast 40% of the total weightage in every exam.

Overall Feedback analysis:

The various graphs reflects the different views expressed by Alumni in regard to their perception of quality in Arya Vidyapeeth College (Autonomous). The Alumni feedback on Course Content, Teaching Learning Process, Curriculum, Syllabus , Evaluation process, Extra – curricular activities and Administration is very good. Alumni are very much satisfied with the Curriculum development in respect of completion of syllabus, teaching learning process, facilities and teaching quality and services. The alumni also agreed that the public perception of the college is good.

Action Taken:

The analysis of the feedback from the alumni was shared with the Principal and the IQAC. After threadbare discussion the following actions shall be taken based on this analysis:

- The BoS (Board of Studies) for each department has been being constituted. The BoS has been requested to frame the content of syllabus for each subject in such a manner that it helps the students to face competitive examinations.
- The students shall be encouraged to participate in youth festivals and such other activities. Their attendance for the period of participation shall be condoned off if proper permission from the college authorities is taken.
- The college shall initiate several steps to enhance the employability of the students. A compulsory internship course has been incorporated in the course curriculum. Moreover, the college plans to hold job fairs at least twice a year for its students. The

IQAC has made a suggestion that the students can be informed of various career opportunities in the college website with the help of the "Career Counselling Cell"

- More ICT tools and varied tools will be incorporated in the pedagogy of the faculty for making the teaching learning more informative interesting and grasping.
- Improvement initiatives of the existing playground, toilets etc will be undertaken as per the direction of the Principal.
- The institution shall focus more on imparting skills and practices to students that shall enable lifelong learning and independent problem-solving in them. In this regard it may be mentioned that the college already has a "Skill and Entrepreneurship Department"
- To further improve the transparency of the academic processes computerised MIS for students is already installed and operational in the college. The college website is updated regularly. Parent – teacher meeting is held regularly. Students' feedback and feedback from the parents is taken every year so that they can express their view regarding the transparency of all the academic processes.
- To further improve the public perception of the college, the college website shall be made more attractive and active with regular updates of the achievements of students and faculty members along with various activities of the college together with photographs.

Conclusion:

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. Feedback is collected every year and reports are analyzed. The recommendations are also reviewed and appropriate actions are taken. The actions taken are noted in the IQAC Annual Quality Assurance Report and submitted in the yearly reports. In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR. The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR.
