### Re-accredited 'A' Grade by NAAC

Evaluation of feedback from students (2022 - 23)

Arya Vidyapeeth College (Autonomous) is committed to provide the highest standards of educational and other provision for its students, and encourages its students to provide the college with thoughtful and constructive feedback. The student feedback is very important to strengthen the quality of teaching learning environment and to look for opportunities to improve overall institute performances. The feedback from students was taken in online mode by preparing a set of questions in Google Form by IQAC of the college. Students from all the departments including the regular students participated in the feedback process. Following is the report of feedback and action taken by the college: The feedback was taken in a scale of 5 which indicates 'very good' and 1 indicates 'very poor'.

## 1. Feedback on Courses and Studies:

## 2. Feedback on the Principal:

3. Feedback on the office:

Efficiency in doing the allotted job:

## Attitude of prompt response to your need:

Helping attitude:

Overall commitment to the profession:

## 4. Feedback on library:

5. Feedback on accessory facilities:

6. Feedback on college hostels :

7. Feedback on departmental laboratories :
(Only for science students with practical course)

Overall Analysis of feedback report:

The feedback report given above is in terms of percentage of students rating a particular parameter. Most of the students were satisfied with the various aspects of courses and studies with a few students being moderately satisfied regarding its relevance in facing everyday problems. Most of the students are highly satisfied with the Principal on various parameters like his administrative capability, approachability, ability to motivate students etc. The feedback given to the performance of the office is also highly good. Regarding the library, college hostels and laboratories of science departments the feedback received is very encouraging. On accessory facilities the students opined that there is a scope of improvement in the internet facility, canteen facility and washrooms provided by the college.

Action taken report:

- The college has restructured its course and syllabus within the permissible limits of UGC and introduced several skill based courses while implementing NEP, 2020 so that it helps the students to face their everyday problems and also increase their employability.

- The college authority has taken into consideration the opinion of the students given in the feedback and had a discussion with the office staff on how to improve its response to various

needs of the students like incorporating a time frame, setting up more students' helpdesks, imparting more training in soft skills to the office staff etc.

- The library is completely digitized so it is accessible 24 x 7 to the students. Besides, the collection of text books, reference books, magazines etc of the library shall be enhanced further.

- High speed internet facility is made available to the students in the computer cell and library. The process is on to upgrade this facility further. The process of revamping the canteen of the college has structured. When the construction of the Block A building of the college from the fund received from NEC is completed, the college shall be able to provide a large better quality canteen to the colleges. The washrooms/ toilets are revamped. The cleaning staff of the washrooms has been changed and regularly monitored.

- Accommodation for girls in the college hostel shall increase with the completion of the construction of another girls' hostel from RUSA fund. The college is also in the process of construction of another boys' hostel. The hostel committee has been assigned to regularly look after the hygiene, food quality etc of the hostel. The number of extra – curricular activities shall also be revamped.

- The functioning of laboratories of science departments of the college is regularly monitored by the Head of the Department. A training programme on laboratory management for laboratory bearers has already been organised and more such programmes shall be organised in the near future.

8. Different suggestions given by the students:

- Smart classroom for better understanding
- Better boys common room is needed
- The suggestion that I would like to mention is about maintaining a hygienic environment in our girl's common room.
- Clean Washroom is very much necessary for boys
- One digital notice board in college campus will help students for knowing all the informations
- It is necessary to have Aquaguard in all the departments in the college.
- Better library facility in the department
- I think equal attention should be paid to computer subject along with other subjects

- Upgradation of College canteen
- Classes are always continuous. Students get exhausted during the whole time. It'll be great to have an hour break for rest and lunch
- Free Wifi
- We are not able to use internet
- Better gym facility is needed
- They should introduce more skill courses which can give us more knowledge and helps us regarding our future jobs and provide free skill courses for poor or single parent students and also introduce some courses related to abort studying related or related to international courses so the students who want to study out of India after graduation can study easily though this study materials. Thank you
- No sports facilities
- There should be in-campus photostat facility available throughout the day. Also most of the computers does not support some necessary applications.
- try improve gym and the laboratory
- Parking spaces should be made inside college campus for students
- Please make sure that our attendance are properly collected and given in the attendance sheet
- Music instruments and music room
- Provide extra classes
- More extra curricular activities
- Scope of improvement of performance of office staff.
- Geography department facilities is poor
- The technical helpline needs to be revamped.
- Kindly make available the latest text books of all the subjects in the college library
