Evaluation of Feedback from Alumni (2023 - 24)

Alumni feedback is a way for former students to share their experiences and suggestions for improvement of their former institution. Hence, feedback of the Alumni is an essential component for growth and improvement of the HEI's. The feedback forms have been designed with the help of Google forms and shared with the alumni by the IQAC of the college. They are required to submit their responses to a set of ten statements on a 5-point scale in which choices range from Strongly agree to Strongly Disagree. We have received responses from our alumni who have been placed in various jobs and professions in both government and corporate world within and outside India. The college is proud about the achievements of the alumni. The feedback thus received is then analyzed so that appropriate action can be taken. Following is the report of feedback and action taken by the college:

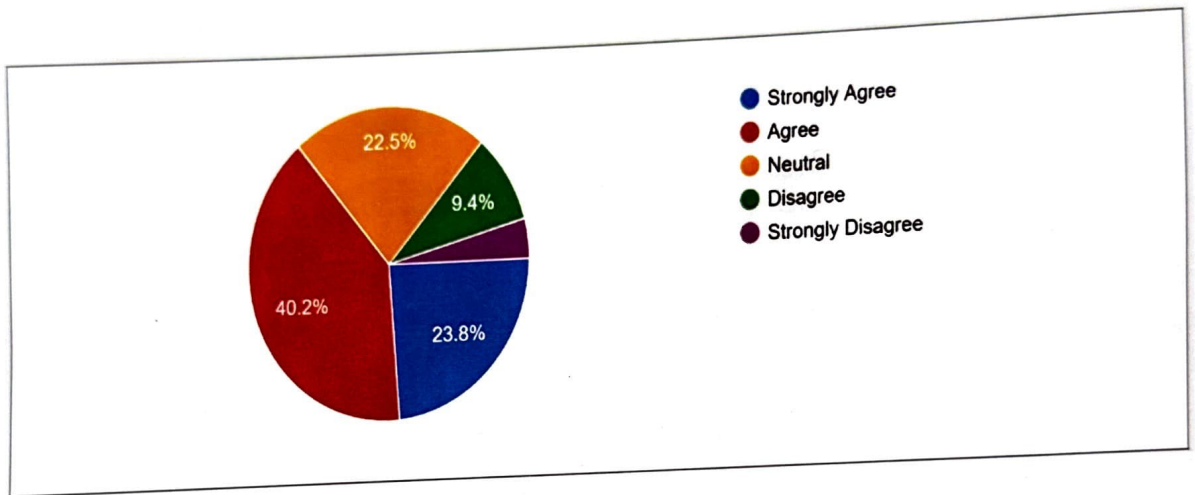

1. The curriculum and syllabus content were appropriate for higher education and/or employment

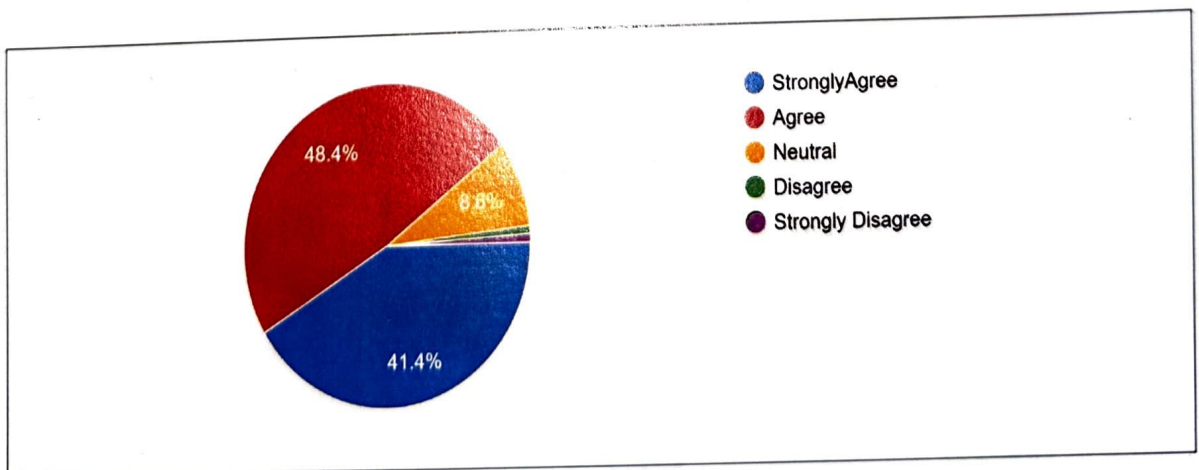

2. Sufficient number of co-curriculum activities were arranged during the study period

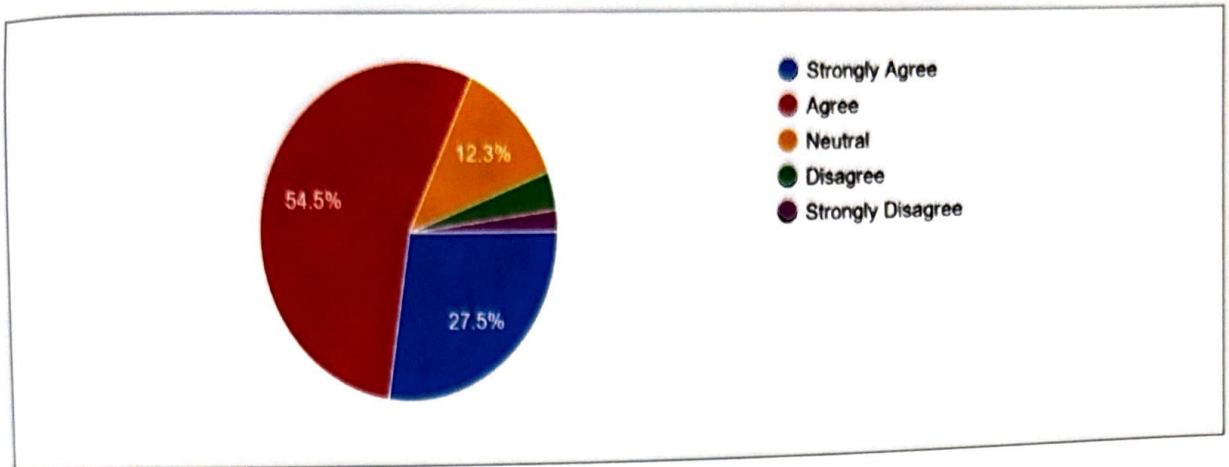

3. The institute/faculty helped student in placement/higher education

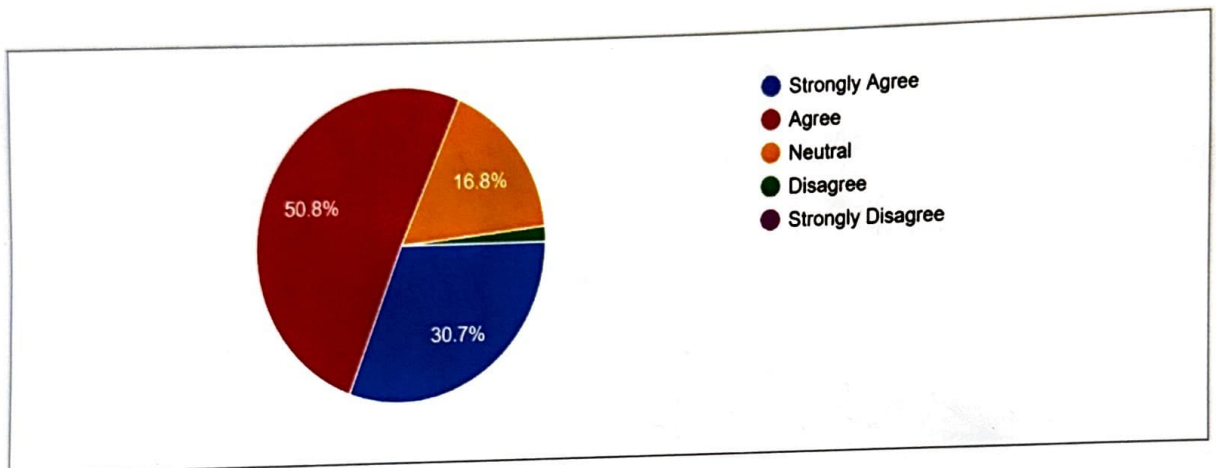

4. The institute offered a good learning ambience

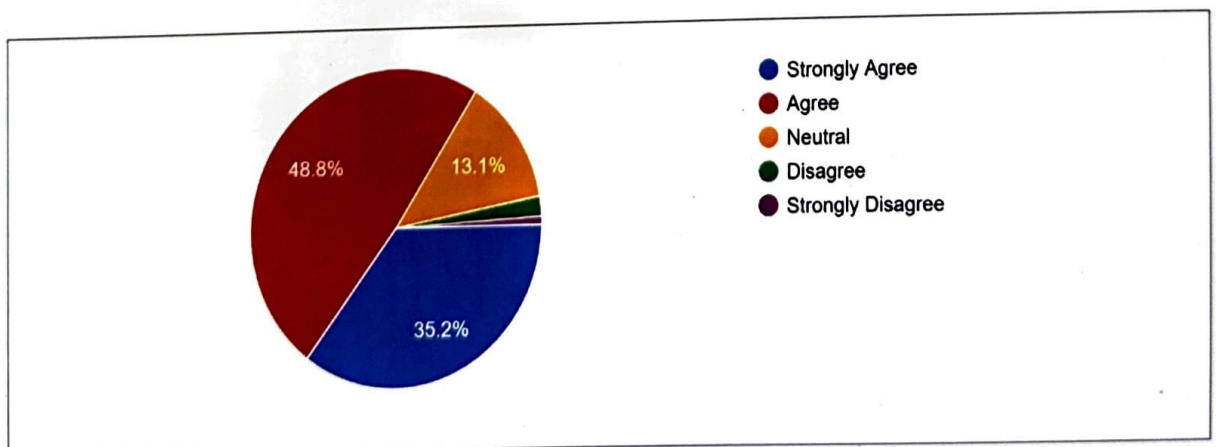

5. The curriculum offers courses with practical and hands on learning experience

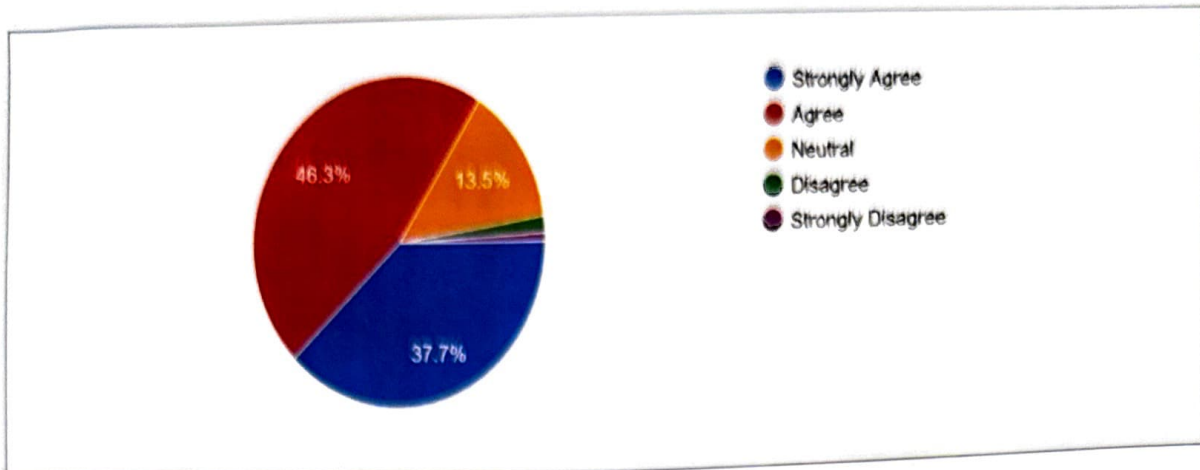

6. All the academic processes of the institute were transparent

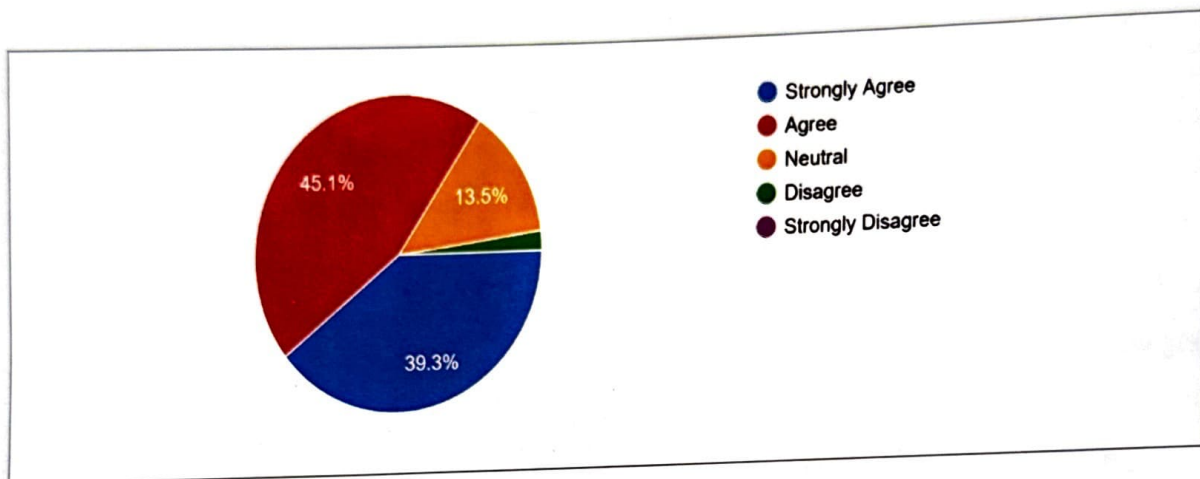

7. The institute is student-centric in all its academic initiatives

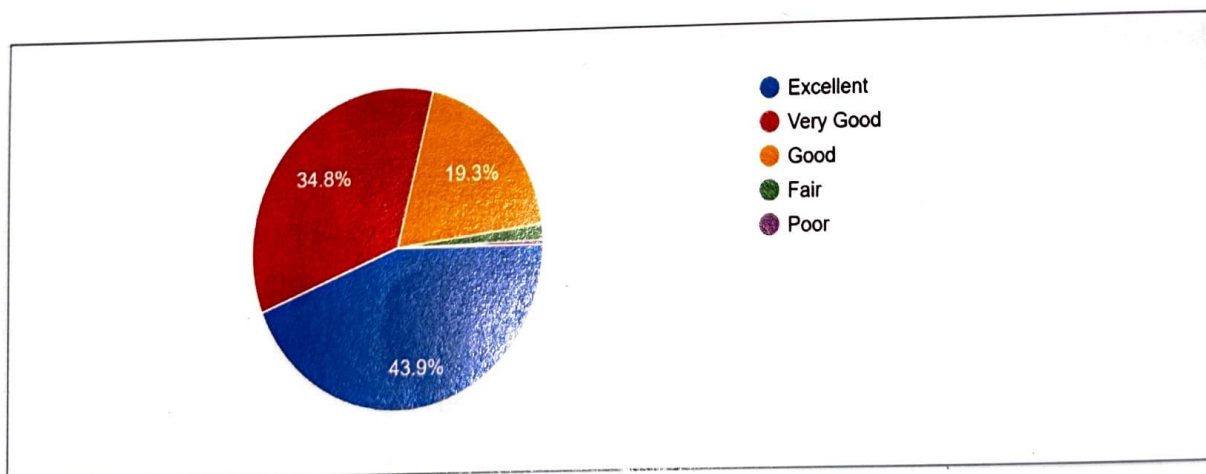

8. The standard of teaching is very high

9. Public perception about the institution is very good

10. Overall quality of the institution

11. Suggestions/Remarks:

- During my entire course curriculum, i had a good learning curve which helped me develop or rather, furnish my skillsets on various areas. My one suggestion would be to implement more practical learning methodologies, which would help instil a sense of practicality among the students. Bookish knowledge might be beneficial, but at certain points in life, practicalities are necessary.
- My best days as student as well as a contractual employee was spent in this institution
- It was wonderful experience there
- All the faculty memebers were friendly and supportive .
- Exposure to state as well as national level seminars on various topics. I as the student of English Department had the opportunity to attend various seminars. Hope that has been continued even now.
- At least twice a year, alumni meet is necessary
- Add more digital infrastructure
- Arya Vidyapeeth college is the best college in Guwahati I would say... Firstly when a outsider thinks to go in a big city for further study no matter which institute they prefer but their first concern use to be like how much raging that particular institute is having. when I came to Guwahati for my further study I talked with so many people about which institute I should go then most of the people referred Arya Vidyapeeth college. I didn't applied any other colleges for admission i directly applied and join this college and without any remorse I would say that was the best decision of my life. I have never experienced any kind of raging during my first year and i had the best time in Arya Vidyapeeth college
- It is a vibrant institution with dynamic faculty members. The environment is progressive with every required facility. A student can explore their maximum potential in all dimensions and establish themselves successfully. Always a pride in being an Aryan.
- Organize more campus placement
- Need to introduce More technical courses as addons for training the future generations.
- Washroom facilities should be upgraded
- The student teacher bonding makes the instituton extraordinary from others.
- English Language Teaching course should be introduced
- Familiarize students with future studying programs and internships are needed.
- Improve interactions with students
- Along with studies co curricular activities should be included in the curriculum.

- The surrounding of the Institution must be kept neat and clean
- The concerned authorities should think of using advanced technologies and teaching methods for classroom teaching.
- It will be beneficial for general public if some publicity of the Institutional activities and results.

Overall Feedback analysis:

The various graphs reflects the different views expressed by Alumni in regard to their perception of quality in Arya Vidyapeeth College (Autonomous). Alumni are very much satisfied with the curriculum development in respect of completion of syllabus, teaching learning process, facilities and teaching quality and services. The feedback showed that alumni is satisfied on the steps taken by the college regarding their placement or progression to higher studies. Above 80% of the alumni either agree or strongly agree that the academic process of the college is transparent and nearly 16% of the alumni preferred to remain silent. The alumni also agreed that the public perception of the college is good. The alumni gave a very positive response on the overall quality of the institution. Most of the alumni preferred internship programme to be offered to the students during the course of study.

Action Taken:

The analysis of the feedback from the alumni was shared with the Principal and the IQAC. After threadbare discussion the following actions shall be taken based on this analysis:

- A compulsory 2 credit internship course has been introduced in FYUGP under NEP,2020
- The career and placement cell has been revamped and emphasis has been given to organize workshops which would help them in their preparation to appear in various competitive examinations. Moreover, it has been advised to the cell to increase the number of placement drives(minimum two in an academic year)
- The BoS (Board of Studies) for each department has been being constituted. The BoS has been requested to frame the content of syllabus for each subject in such a manner that it helps the students to face competitive examinations.
- The students shall be encouraged to participate in youth festivals and such other activities. Their attendance for the period of participation shall be condoned off if proper permission from the college authorities is taken.
- More ICT tools and varied tools will be incorporated in the pedagogy of the faculty for making

the teaching learning more informative interesting and grasping. Accordingly workshops will be organized for the faculty to make them familiar with various ICT tools.

- Improvement initiatives of the existing playground, college campus, toilets etc will be undertaken as per the direction of the Principal.
- The "Department of Skill and Entrepreneurship Development" established in 2022 organizes many certificate skill based courses. The college plans to introduce some NSDC courses free of cost very soon.
- To further improve the transparency of the academic processes computerised MIS for students is already installed and operational in the college. The college website is updated regularly. Student Grievance Redressal Cell has uploaded a form in the college website to further augment transparency.
- In recent times, the college website has been made more attractive and active with regular updates of the achievements of students and faculty members along with various activities of the college together with photographs. The college official facebook page further caters in improving the public perception of the college.

Conclusion:

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. The IQAC Cell remains committed to continuous improvement and actively pursues the implementation of the points mentioned in the action taken report. These are noted in Annual Quality Assurance Report and submitted in the yearly reports. In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR. The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR.
