

Activity: HIV/AIDS and STI Awareness among the students

Date: 26th and 27th September 2024

Summary:

An IEC campaign on HIV/AIDS and STI Awareness among the students, an initiative by the Assam State AIDS Control Society, Guwahati, in collaboration with the Red Ribbon Club of Arya Vidyapeeth College (A), was held on 26th and 27th September 2024. This significant initiative was part of the celebrations for International Youth Day. The campaign aimed to educate students on HIV/AIDS prevention and dispel myths surrounding the condition. On 26th September, Dr. Nisha Kumari, Obst. and Gynae and Dr. Jugal Jyoti Borah, Chief Embryologist, Seeds of Innocence Infertility and Maternity Clinic Pvt. Ltd., delivered talks on the causes, symptoms, and prevention of HIV/AIDS and STIs. The event was inaugurated by Vice-Principal, Arya Vidyapeeth College (A), Mrs. Anita Talukdar, with special remarks from Dr. Mausumi Borah, Dean (Academics), Arya Vidyapeeth College (A). Red Ribbon Club Coordinator, Mr. Parag Saharia outlined the objectives of the programme, highlighting its importance in raising awareness about HIV/AIDS and STI prevention. The event was hosted by Dr. Sandhya Rani Gogoi, a Member of RRC, who ensured the smooth coordination of the proceedings. An awareness rally was also held around the campus after the talk, followed by a poster-making competition on 27th September, allowing students to creatively express their understanding of HIV/AIDS.
