Evaluation of Feedback from Parents (2023 - 24)

Arya Vidyapeeth College (Autonomous) is committed to empower the young generation through quality education and provides various opportunities to hone their extra curricular skills and thereby developing their strong sense of social responsibility. Parents are important parts of this process and their involvement is important to us. Feedback from parents is important for the college because it can help improve the learning experience for students, the performance of the college, and the relationship of the college with parents. Moreover, it provides feedback on the different facilities provided by the college which helps in augmenting them. The feedback forms have been designed with the help of Google forms by the IQAC of the college and shared with the parents. The feedback collected included rating of key services on a five point scale from "Excellent to Poor". The analysis of the feedback of 630 parents is given below:

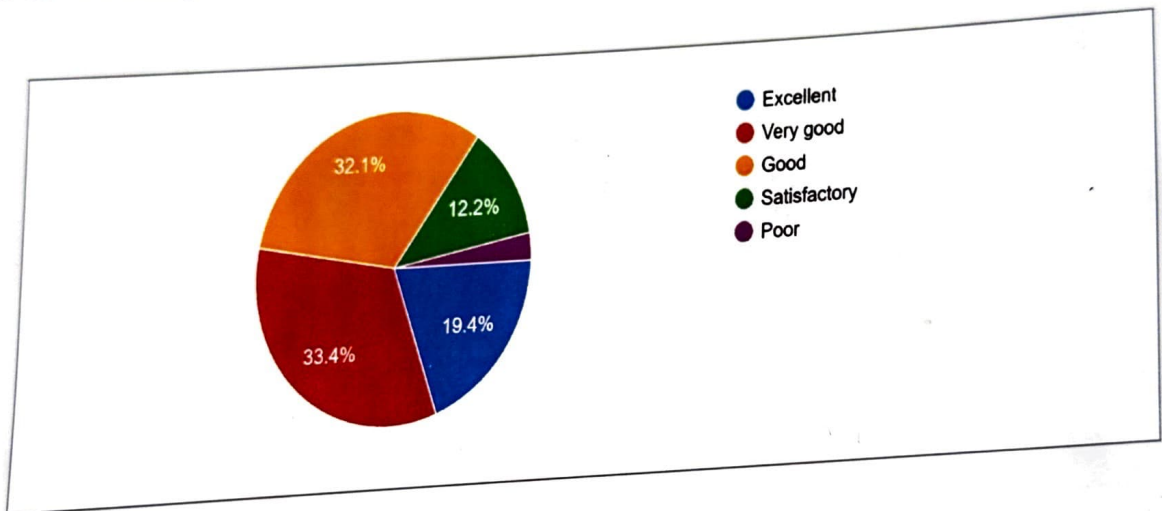

1. To what extent the following facilities of the college satisfy you?

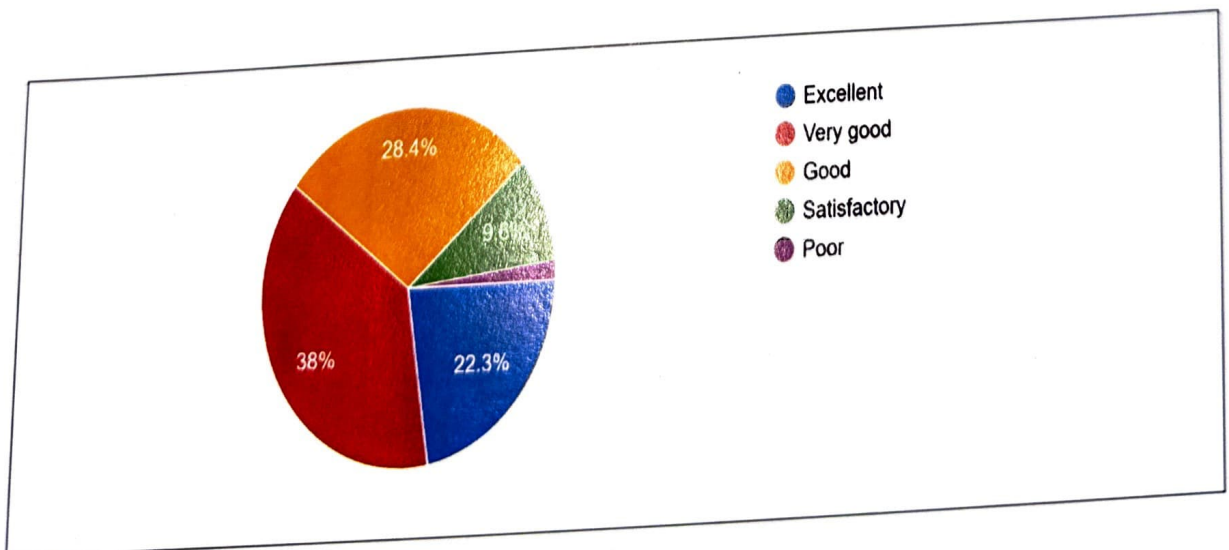

2. How is the reputation of the College ?

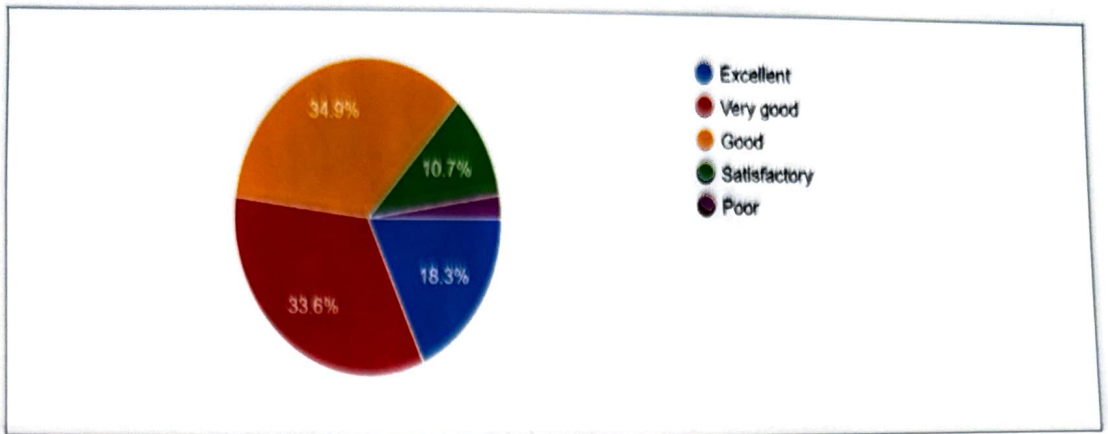

3. How would you rate the infrastructure and lab facility of the college?

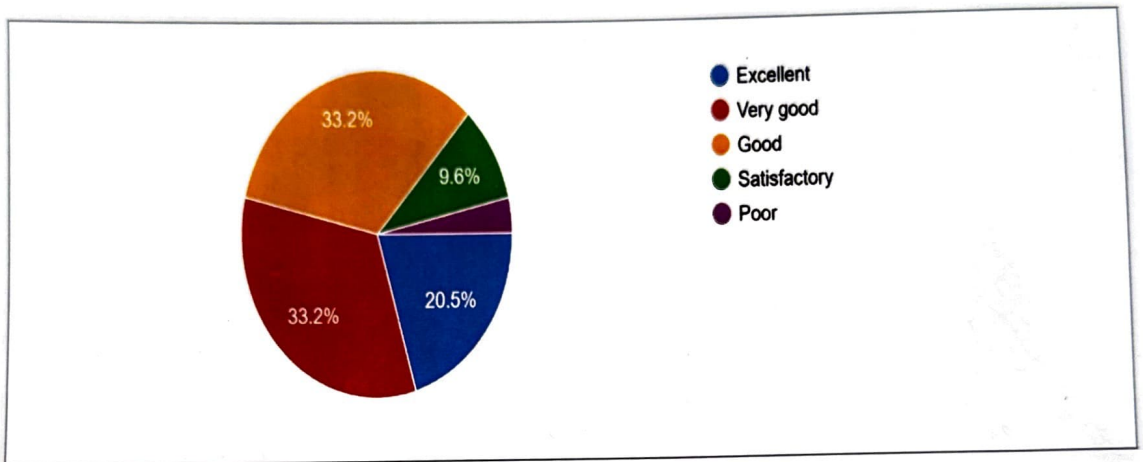

4. How is environment and ambience of the College ?

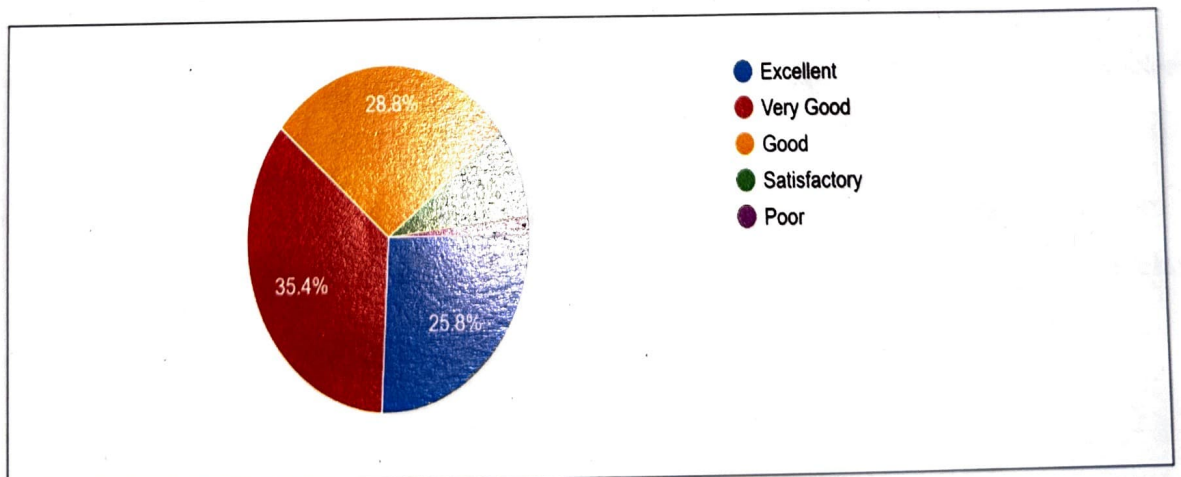

5. What is your assessment of the security arrangements and safety measures in the college?

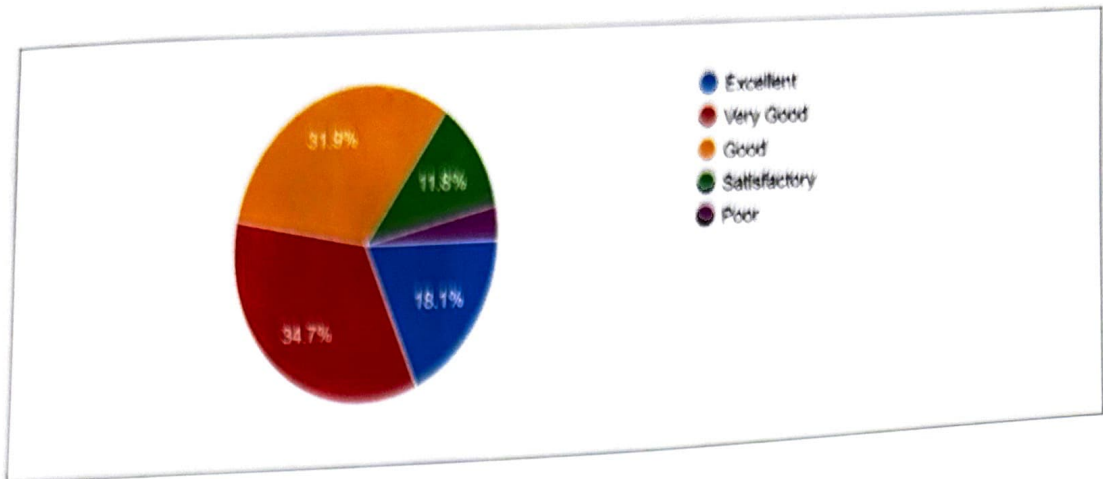

6. How would you rate the admission procedure?

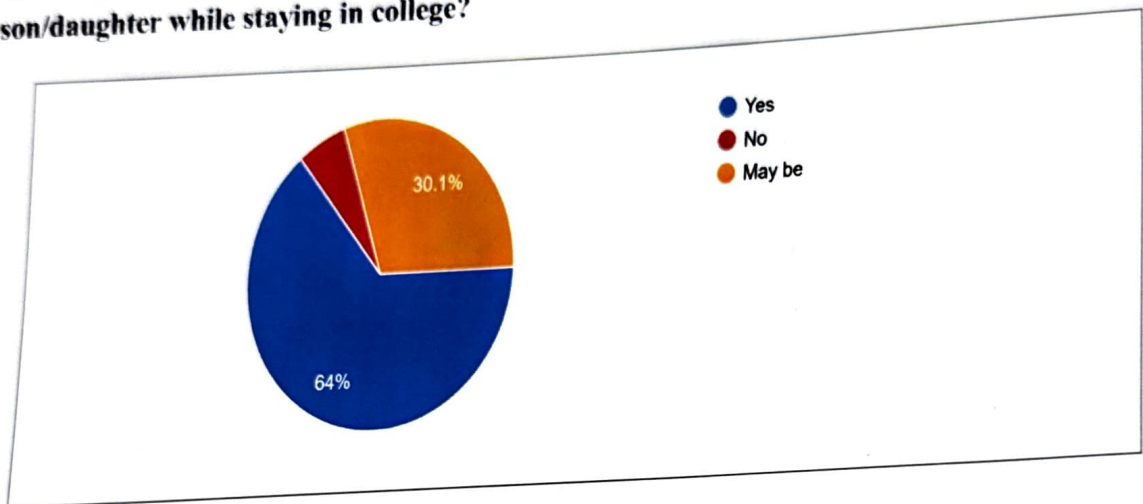

7. How would you rate the academic discipline (i.e. timely conduct of lectures, practical etc.) observed by the college?

How would you rate the use of information and communication technology by the college?

9. Have you observed any improvement in soft skills, knowledge ethics, morality in your son/daughter while staying in college?

Suggestions:

- College should improve its canteen food facilities
- Have clean toilets. Make sure there are no students chewing tobacco. Desks should be clean as most of the times they are full of dust.
- Frequent interaction with the faculty members as well as the students Upgrade classroom with modern facilities Create vibrant and inclusive spaces for students to connect and relax.
- The college should also focus on extra curricular activities like sports etc.
- I'm very happy with the results ... and the faculty members are very kind
- College portal is not good... There are many technical issues

- Give students more exposure to the scope of their subjects
- Your college is already doing well I don't have any suggestions . All the best for the future .
- Career counseling, or placements should be implemented
- M.Sc degrees should be opened for other subjects as well
- To take initiative for the introduction of various subjects in the field of skill development for the upcoming generation with good infrastructure
- Have heard that the college is working on the skill development courses for the students. It is a very good measure to improve the skills of the students and help them develop both academically and the otherwise
- Regular cleaning of the washrooms should be done
- Implementing a college mental health program is needed
- Attendance of students in the class should be strictly monitored.
- Make the college a tobacco free area
- Please make a system for incoming and outgoing time tracking for students.
- The College library should have more book and more space for the students and the drinking water facility is not good enough.
- The lab Infrastructure should improve
- All is very nice just must more have e-resources studying facilities.
- Personal Counselling of students is needed
- Everything is fine but more trees can be planted to have shaded areas nearby or inside the college

Overall Feedback analysis:

The parents gave a very good feedback on the different aspects of the college. As per parents input regarding the facilities provided by the college about 56% of them felt good, about 38% parents rated very good and 26% as excellent. It is very encouraging for the college that nearly 68% of the parents felt that the college has a good learning ambience. Consistently about 22.3% parents felt the college has an excellent reputation and 40% felt that the reputation is very good. 33.4% of the parents opined that the infra-structure and laboratory facilities are very

...d while nearly 19.4% felt it is excellent. Regarding security and discipline of the college campus and academic atmosphere more than 33.6% parents rated between very good to good while nearly 18.3% of them felt that it is excellent. For parameters like admission procedure, 33.2% parents rated very good. In the parameter like use of ICT, nearly 66% parents rated between very good to good. It is very heartening to find that 64% parents have observed improvement in soft skills, knowledge ethics, morality etc in their son/daughter while staying in college.

In the suggestions given it was seen that most parents felt the need of career counselling and internship programmes for their children studying in the college. It was also felt that the toilet facility needed to be upgraded together with good canteen facility. The parents have also felt that the library needs to be upgraded.

Action Taken:

- The students must complete a 2 credit compulsory internship programme to get a degree under FYUGP.
- Extra-curricular activities and co-curricular activities are conducted regularly by NCC, NSS, AVCSU during college week and by different cells and committees. The students are also encouraged to participate in youth festivals and such other activities. Special incentives are given to the participants.
- The facilities for students in the existing primary health centre of the college is increased in consultation with the medical officer.
- The hostels are refurbished . A new hostel for girls is under construction.
- The library is completely digitized. There is a web portal for the library. The number of books on different subjects has been increased considerably in the library.
- The career counselling and placement cell of the college is strengthened further. It regularly organizes workshops to guide students to appear in various competitive examinations. It also organizes placement drives in which many students found employment.
- All HoDs will review the functioning of the laboratories weekly and take regular feedback from students.
- The college has already received grants from RUSA for infra-structure development and work has already started.

The college has improved its infra-structure considerably from the grants obtained from RUSA and NEC.

The entire admission process is done in online mode. To further improve the process SMSs are sent to students who have been selected for admission. The college website is regularly updated for information regarding admission process.

- For the benefit of the students, the number of helpline numbers are increased.
- Each department is given a class execution diary and The HoDs are requested to submit monthly class taken report to the Office of the Principal regularly so that the academic discipline is further improved.
- The college has established a Skill Development and Entrepreneurship Department which shall co-ordinate with external agencies/institute/industry to impart skill/vocational courses/internship to the students.

Conclusion:

On analyzing the feedback received, over the course of time by the parents, it has been found that the parents are highly satisfied by the efforts made by the college administration in admissions, teaching and learning, in creating a conducive atmosphere in the college for the students. The parents are also happy to find that the college is trying to implement some of the suggestions made by them.
