Evaluation of feedback from students (2023 - 24)

Arya Vidyapeeth College (Autonomous) is committed to empower the young generation through quality education and provides various opportunities to hone their extra curricular skills and thereby developing their strong sense of social responsibility. Arya Vidyapeeth College (Autonomous) encourages its students to provide the college with thoughtful and constructive feedback. This feedback is very important to strengthen the quality of teaching learning environment and to look for opportunities to improve overall institute performances. The feedback from students was taken in online mode by preparing a set of questions in Google Form by IQAC of the college. Students from all the departments including the regular students participated in the feedback process. Following is the report of feedback and action taken by the college: The feedback was taken in a scale of 5 which indicates 'very good' and 1 indicates 'very poor'.

1. Feedback on Courses and Studies:

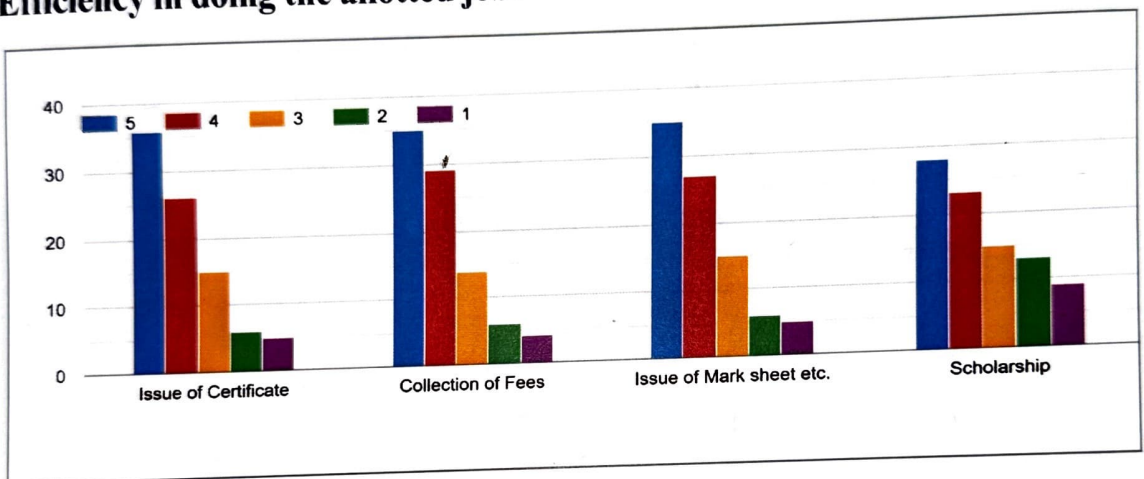

2. Feedback on the Principal:

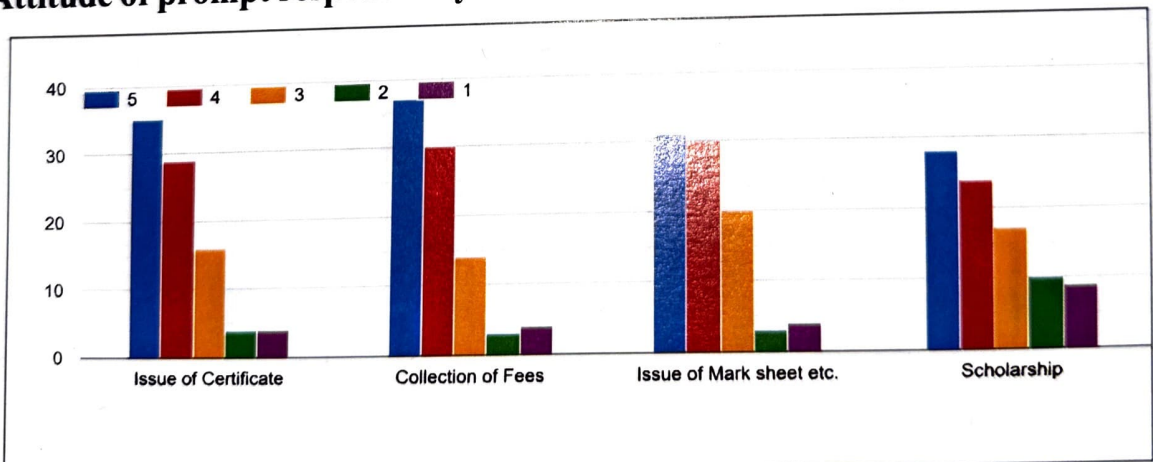

3. Feedback on the office:

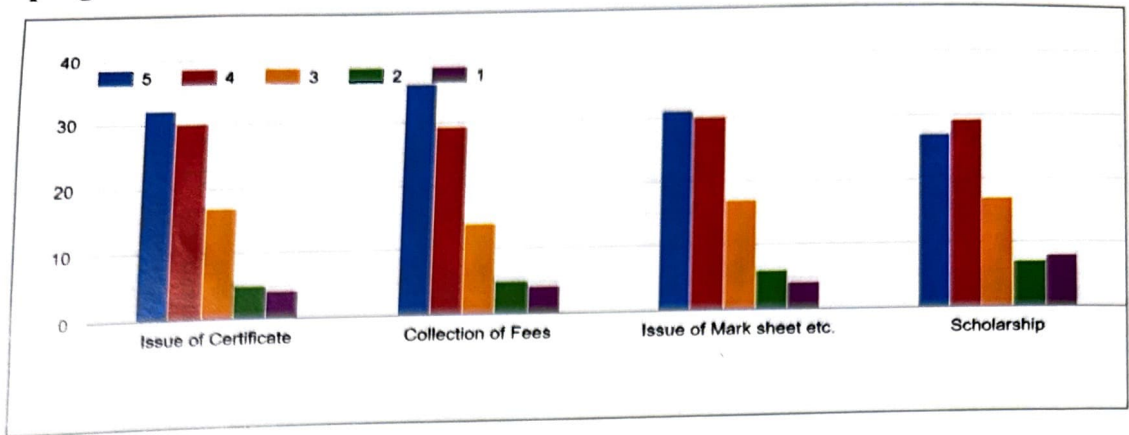

Efficiency in doing the allotted job:

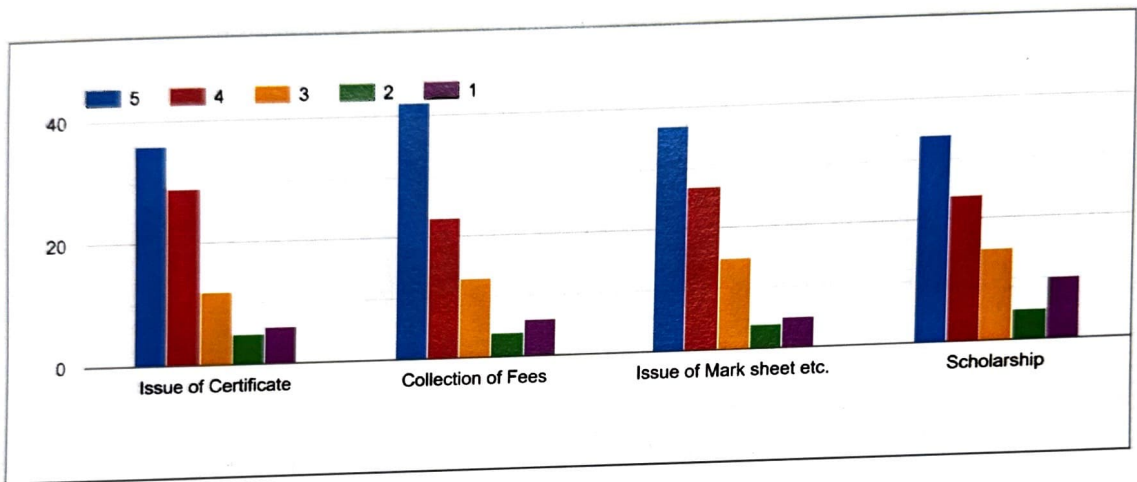

Attitude of prompt response to your need:

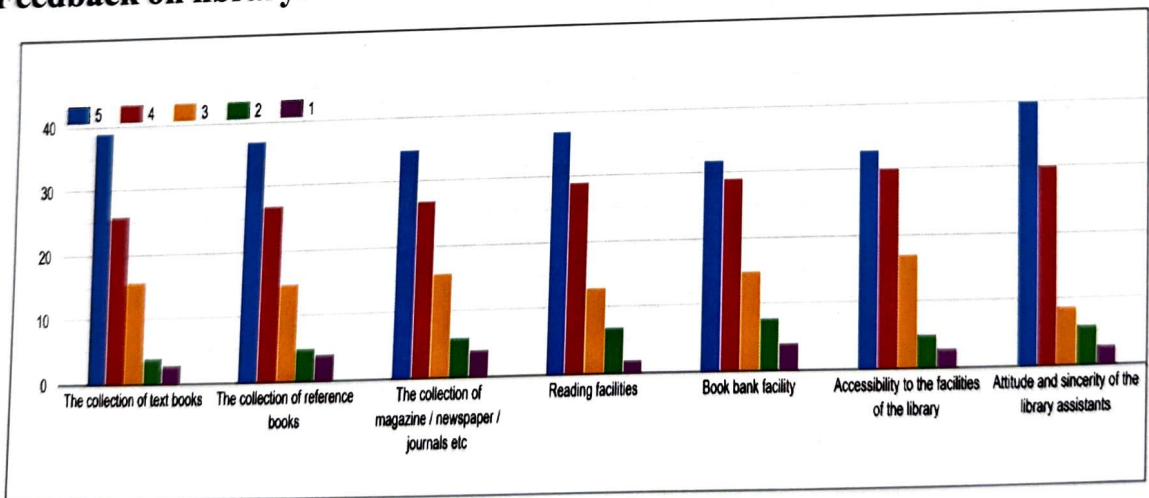

Helping attitude:

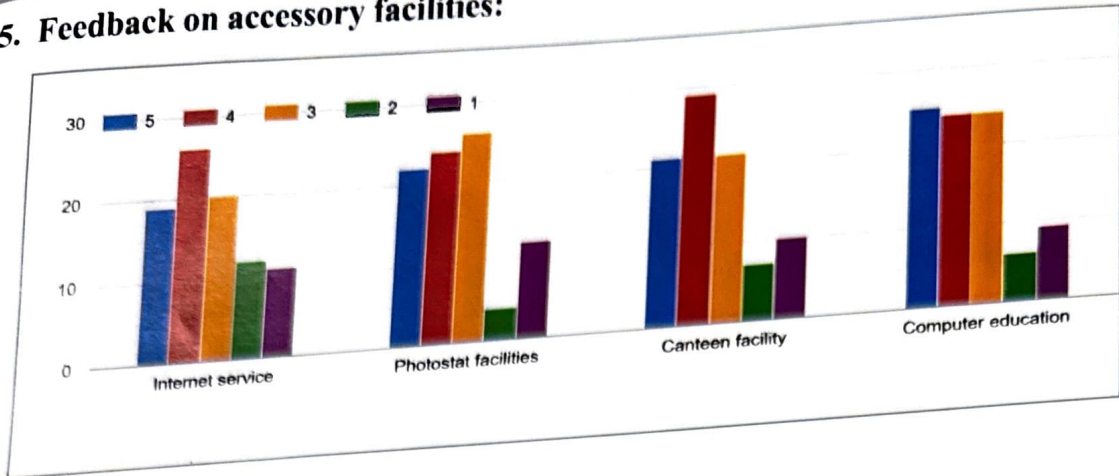

Overall commitment to the profession:

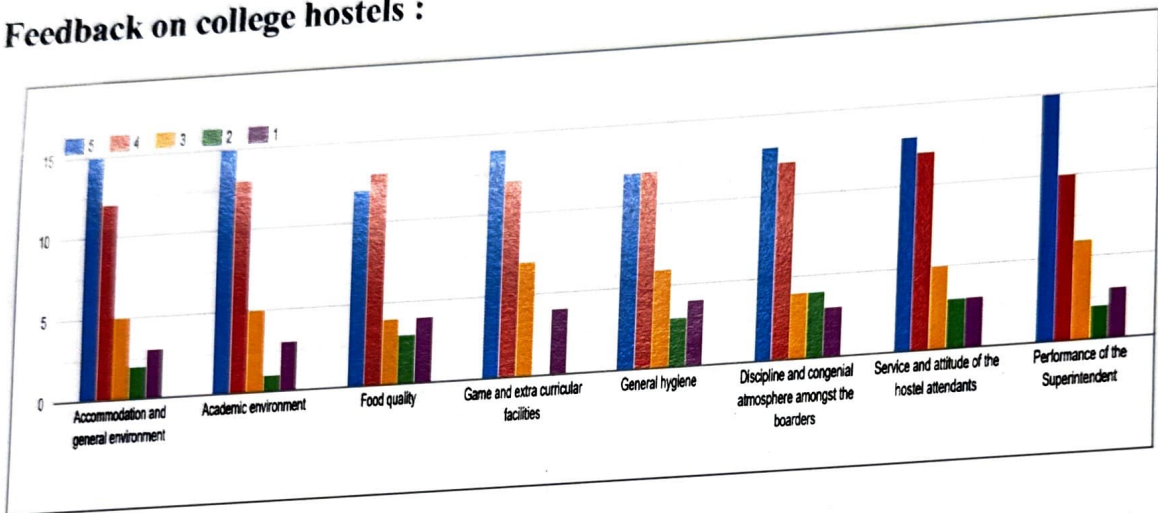

4. Feedback on library:

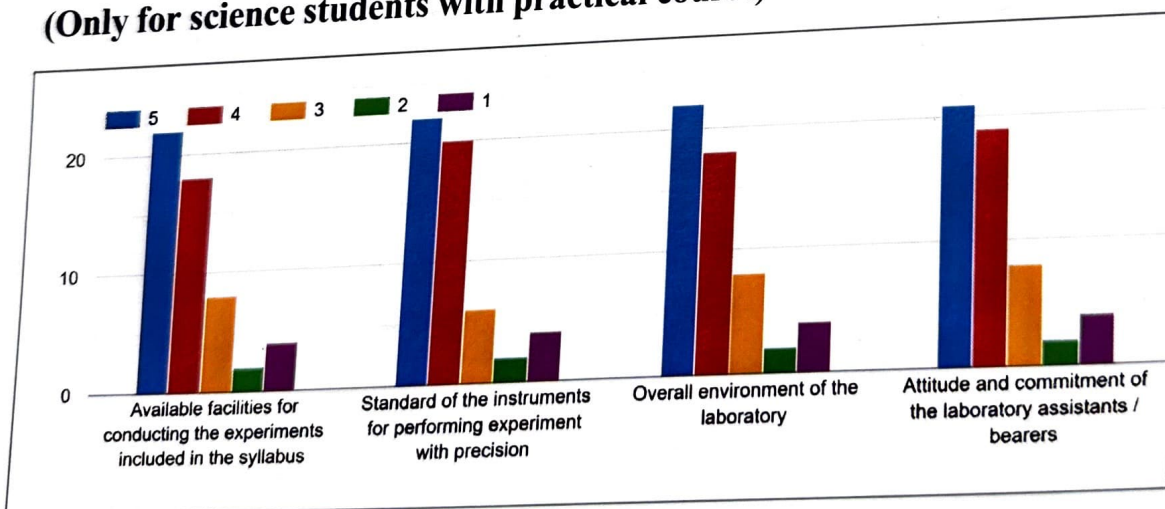

5. Feedback on accessory facilities:

6. Feedback on college hostels :

7. Feedback on departmental laboratories :
(Only for science students with practical course)

8. Different suggestions given by the students:

- First-aid room for students and professors which is necessary for all institutes
- Water facility is too poor
- More trees in the campus
- Good Laboratory equipments
- The common washroom/ restroom conditions needs further improvement
- Better Internet facility.
- Boys common room is needed
- More sports equipments
- Music Class
- The library needs to increase its collection of books belonging to commerce stream.
- Politics free campus
- Sitting place on college campus
- The college teachers help us outside or inside the college
- Health and wellness facilities (through the gym and other activities) and safety facilities needed
- Computers in the computer laboratory of physics department needed
- Auditorium needs to be improved
- Geography department needs own computer lab for a special course namely GIS
- No generator facility
- A seating arrangement should be made in the college campus for students
- New relevant books should be include in the library
- Increase in the time of book issue and provide better facility in library.
- Laboratory needs to be more enriched
- Provision for uninterrupted electricity supply

Overall Analysis of feedback report:

The feedback report given above is in terms of percentage of students rating a particular parameter. The students expressed their satisfaction on the various aspects of courses and studies. Few students were moderately satisfied regarding the relevance of the course curriculum in facing everyday problems Most of the students are happy and highly satisfied with the Principal on various parameters like his administrative capability, approachability, ability to motivate students etc. The feedback given to the performance of the office is also highly good. Regarding the library, college hostels and laboratories of science departments the feedback received is very encouraging but there are avenues for further

improvement. On accessory facilities the students opined that there is a scope of improvement in the internet facility, canteen facility and washrooms provided by the college. The students expressed the necessity of uninterrupted electricity supply. The students expressed their gratitude to their teachers for helping and guiding them both inside and outside the institution. The students also expressed the need for more placement drives within the college campus.

Action taken report:

- The college has restructured its course and syllabus within the permissible limits of UGC and introduced several skill based courses while implementing NEP, 2020 so that it helps the students to face their everyday problems and also increase their employability. A compulsory 2 credit internship course has also been introduced.
- The college authority has taken into consideration the opinion of the students given in the feedback and had a discussion with the office staff on how to improve its response to various needs of the students. A workshop on ethics at workplace for the office staff has also been organized.
- The library is completely digitized so it is accessible 24 x 7 to the students. Besides, the collection of text books, reference books, magazines etc of the library shall be enhanced further.
- High speed internet facility is made available to the students in the computer cell and library.
- The college has changed the entire team which runs the canteen. The canteen management committee also regularly monitors the quality of the food. Efforts are being mad to shift the canteen to a bigger place.
- The washrooms/ toilets are revamped. The cleaning staff of the washrooms has been changed and regularly monitored.
- Accommodation for girls in the college hostel shall increase with the completion of the construction of another girls' hostel from RUSA fund. The college is also in the process of construction of another boys' hostel. The hostel committee has been assigned to regularly look after the hygiene, food quality etc of the hostel. The number of extra – curricular activities shall also be revamped.
- The functioning of laboratories of science departments of the college is regularly monitored by the Head of the Department.
