27. Quality of other facilities like hostel facility, playground, boys' and girls' common room etc.

28. Overall experience of the institution

29. Some suggestions given by the students to improve the overall teaching – learning experience in the institution :

- Make teaching a two way interaction.
- Boys common room, Clean washroom of boys/girls and generator facilities for classroom as frequent power cuts
- Teachers should teach in preferable language so that everyone can understand. They should treat all student equally. They should give equal opportunity among each and every student.
- Use better graphics and audio visual in the teaching process.
- Make more seating arrangement
- The college playground should be kept reserved only for sports activities for the students of the

college

- Improve the drinking water facility
- Improve the quality of classroom facilities
- Administration should be more attentive towards student queries.
- Teachers should understand the students medical health problems or issues
- We need sufficient infrastructure in every department
- Increase the reading space for students in the central library.
- All the classes should have ICT tools
- A best department can be selected every year based on academic performance, sports and games, social activities, etc.
- Encourage collaborative learning activities such as group projects, peer teaching, and discussions can promote teamwork.
- Encourage students to embrace challenges, learn from failures, and persevere in the face of obstacles. Help them develop self-confidence
- Form an academic forum which connects academic intellectuals and provide exposure to students  
Conduct more workshops on life skills, alternate job opportunities etc
