Details of activity

Activity Title: Alumni Connect Program

Organised by: Department of Botany ,Arya Vidyapeeth College(Autonomous)

Resource Person: Dr.Kangkana Kataki, Assistant professor at Mahapurusha Srimanta Sankardeva Vishvavidalaya, Guwahati

Date: 08-04-2025

Summary of the activity:

On 8th April 2025, an Alumni Connect Program was organised by Department of Botany, Arya Vidyapeeth College (Autonomous), Guwahati for the 6th semester honours students. Dr.Kangkana Kataki, an Alumnus of Botany Department (Batch 2005-08) currently an Assistant professor at Mahapurusha Srimanta Sankardeva Vishvavidalaya, Guwahati was the resource person of the programme.

The session started with brief introduction about her journey, from Bachelors in Botany to PhD related to cancer studies of liver. She mainly emphasized the " Recent Trends in Life Science" and highlighted the drug designing and aspects of Computational Biology in the field of research. She also mentioned other important areas like immunology, oncology, antibiotic resistance by which students can pursue their career.

The interaction was successful in making students aware of the recent trends in the field of life science and opportunities in the field of research and development.
